Jon,

I have attached the letters to Mr. (b) (6) and Mr. (b) (6) regarding EPA monitoring wells SAG-01 and N-5A. I have also attached the ATSDR fact sheet on uranium.

Would you please make copies of these documents and sign the letters for me. The tables need to be in color of course. And you need to make two copies of the ATSDR fact sheet.

If you could put them in an envelope and deliver them on Tuesday, before the cross-roads meeting, that would be great. If not, we should hand deliver them at the meeting if they come. The table for N-5A goes with the letter to Mr. (b) (6) and SAG-01 with Mr. (b) (6)'s letter.

I did not have time to prepare maps of the well locations.

Sorry for the lateness, but did not have time last week.

Mark
